SUBJECT: Public Hearing: Proposed Amendment to the FY 2025-2028 Transportation Improvement Program (TIP) for the addition of a new project to the Transit section

DATE: May 22, 2025

The GoCOMO transit system has recently been notified by the Federal Transit Administration (FTA) that there are additional Section 5339 funds available to the agency. As a result, a TIP amendment is required to add a new project to the TIP to accommodate this funding.

Section 5339 funding is typically reserved for capital purchases, which includes vehicles. In this instance, GoCOMO will acquire paratransit vans, likely four vans, or five if the purchase cost allow for that number.

There is more detail in the attached project spreadsheet. Total additional funding for this project is \$668,521, with an 85/15 federal/local split. FTA Section 5339 funds of \$568,243 will be utilized.

At their May 7, 2025 meeting, the Technical Committee reviewed the proposed amendment. After brief discussion, the Committee passed a motion recommending that the CATSO Coordinating Committee formally adopt the 2025 CPTHSTP at their May 22, 2025 meeting.
