

STR DOCUMENT LIBRARY- CONDITIONAL ACCESSORY/CONDITIONAL USE SUPPLEMENTAL QUESTIONS FORM

All applications seeking a Tier 2 STR with 210 nights of rental use in the A, R-1, R-2, and R-MF zoning districts or a Tier 3 STR within the M-OF zoning district shall complete these supplemental questions. Failure to fully complete these questions will result in processing delays of the submitted STR application.

General Conditional Use Permit Review Criteria.

- (A) The proposed conditional use complies with all standards and provisions in this chapter applicable to the base and overlay zone district where the property is located;
Agreed
- (B) The proposed conditional use is consistent with the city's adopted comprehensive plan;
Agreed
- (C) The proposed conditional use will be in conformance with the character of the adjacent area, within the same zoning district, in which it is located. In making such a determination, consideration may be given to the location, type and height of buildings or structures and the type and extent of landscaping and screening on the site;
Agreed
- (D) Adequate access is provided and is designed to prevent traffic hazards and minimize traffic congestion;
Agreed, plenty of parking and turn around area at the base and top of the driveway.
- (E) Sufficient infrastructure and services exist to support the proposed use, including, but not limited to, adequate utilities, storm drainage, water, sanitary sewer, electricity, and other infrastructure facilities are provided; and
Yes, agreed.
- (F) The proposed conditional use will not cause significant adverse impacts to surrounding properties.
No, we have not had any issues in the past and will work to keep it that way.

STR DOCUMENT LIBRARY- CONDITIONAL ACCESSORY/CONDITIONAL USE SUPPLEMENTAL QUESTIONS FORM

Specific Short-term Rental Conditional Use Permit Review Criteria.

- (A) Whether the proposed STR is used for any part of the year by the registrant as a residence. If so, for how long?

No I do not live there.

- (B) Whether or not there are established STRs within 300 feet of the proposed STR measured in all directions from property lines "as the crow flies".

To the best of my knowledge there are no other STR within 300 feet.

- (C) Whether the proposed registrant has previously operated an STR and if such operation has resulted in a history of complaints, a denied STR certificate of compliance, or revocation of an issued STR certificate of compliance.

I have been operating a few years with no issues so far and aim to keep it that way.

- (D) Whether the proposed STR will increase the intensity of the use of the property and cause increased traffic or noise coming from the property.

No issues so far, our guests are prescreened and told about all house rules that they must follow to ensure we are not a bother to the neighborhood.

- (E) Whether there is support for the establishment of the proposed STR from neighboring property owners.

I own the property to the north and we have 1 neighbor to the south. She knows we operate a STR with the property and has not come to me with any issues so far.
