Re: Law Enforcement Asset Transfer Cooperative Agreement with Boone County, Missouri

Executive Summary

Staff has prepared an ordinance authorizing a law enforcement asset transfer cooperative agreement with Boone County, Missouri for K9 vehicle equipment.

Discussion

This cooperative agreement would allow Boone County, Missouri (County) to transfer unused K9 vehicle equipment to the Columbia Police Department. This equipment would be used to retrofit an existing patrol vehicle that will be used for the new tracking and explosives detection canine that was donated as a part of the Project Livesaver program.

With this transfer of equipment – the Columbia Police Department will take possession of the following:

- (a). One (1) Ray-Allen Cruise EZE K-9 Vehicle Insert for 2013-2019 Ford Interceptor Utility (SUV); and
- (b). One (1) Radiotronics Ace K9 Vehicle Heat Alarm

Accepting this transfer of equipment will allow the initial funding set aside for the purchase of this equipment to be used for other necessary expenses in support of the Project Livesaver program.

Fiscal Impact

Short-Term Impact: No anticipated costs for years one and two, as the transfer provides all necessary equipment/supplies.

Long-Term Impact: No anticipated cost beyond year two.
