Hello Elke –

Thanks for reaching out. We expect to have a signed contract around the end of the year. As soon as we are in a spot where we can share details (hopefully Christmas time) we will have a meeting walk through all of the project details.

Thanks and hope you have a good week!
Eric

All,

I hope you had a great Thanksgiving and weekend.

With the announcement of the design-build team just around the corner, please find attached a meeting reminder in regards to bike/ped related design aspects of Phase 4 of the Improve I-70 project.

We look forward to the meeting,

Elke
