Re: Resolution setting a public hearing on the FY 2022 Consolidated Annual Performance and Evaluation Report (CAPER) for March 20, 2023

Executive Summary

Each year the staff of the Housing Programs division of the Community Development Department, with assistance from agencies and city departments, compiles the required Consolidated Annual Performance and Evaluation Report (CAPER) for submission to the U.S. Department of Housing and Urban Development (HUD).

Discussion

The Consolidated Annual Performance and Evaluation Report (CAPER), which reports on expenditures, accomplishments, and performance during calendar year 2022, is an obligation of all entitlement communities that receive Community Development Block Grant and HOME Investment Partnership funds from HUD. The report is due within 90 days of the end of the previous CDBG/HOME program year, i.e., March 31, 2023. Prior to submission of the report, the city must provide notice and conduct a public hearing, and allow a minimum 15-day comment period for the public. In addition to the March 20, 2023 public hearing, Housing Programs staff will review the draft CAPER with the Housing and Community Development Commission at their March 15, 2023 meeting.

The CAPER is currently in preparation and is on schedule to be made available to the public for review and comment no later than March 4, 2023. The complete report and cover memo will be shared with Council prior to the March 20, 2023 public hearing.
