To: City Council

From: City Manager & Staff

Council Meeting Date: June 5, 2023

Re: Authorizing a Right of Use Permit with The Curators of the University of Missouri to Install and Maintain a Bus Shelter on Tiger Avenue.

Executive Summary

Staff is requesting council authorize the City Manager to execute a right of use permit with The Curators of the University of Missouri, to install and maintain a bus shelter on Tiger Avenue (see attached exhibit A).

Discussion

GoCOMO Transit is requesting approval of a right of use permit for Transit system purposes with the University of Missouri to install and maintain a bus shelter on Tiger Avenue. The proposed bus shelter would be constructed at the intersection of Tiger Avenue and Rollins Road (see exhibit A) to service the Tiger Line shuttle service route as well as the Black Route.

This location has been looked at as a possible shelter location for some time. Transit has a shelter in stock so the only cost will be the necessary concrete work for the pad. This location was one of five locations approved by Council at the February 20, 2023 meeting through the administrative public improvement process. Transit believes this shelter will be beneficial to both Tiger Line and Black Route riders during inclement weather.

The right of use permit agreement outlines the responsibilities of the City of Columbia.

Fiscal Impact

Short-Term Impact: None

Long-Term Impact: None

Strategic & Comprehensive Plan Impact

[Strategic Plan Impacts:](#)

Primary Impact: Reliable Infrastructure, Secondary Impact: Secondary, Tertiary Impact: Tertiary
