## *Terms & Conditions*

---

### Project Name

Name of Project.

OSCR360 Camera for the City of Columbia Fire Department

### Amount Awarded

\$2,000.00

### Briefly describe the purpose of your request and explain what the expected benefits are:

***L-TRON OSCR360 is a photography system*** designed and built for public safety. The high resolution capture kit includes a ***360-degree spherical image camera and accessories, along with the supporting software***. The OSCR360 is used for documenting various scenes ranging from the most involved fire scene investigations to the simple municipal code violations. The OSCR360 assists investigators with documenting scenes and capturing photographic evidence more quickly and efficiently. The OSCR360 software allows users to provide a virtual walkthrough of the scene, connect evidence to where it was discovered, and give additional context to the investigation. The viewer software is also available to councilors and in courtrooms to describe the scene for trials. OSCR is used for fire scene investigations, fire service training, emergency management planning, active shooter training, forensic science curriculum, environmental safety, and more. The Columbia Fire Department assets are commonly called to assist agencies statewide with complex scenes and investigations. We will use the OSCR360 camera similar to our Arson Detection Canine when a fire marshal is requested to assist with an investigation.

***tje 09.20.24: High Resolution Capture Kit (camera, cover): \$6401. Other licensing fees and capture maintenance kit on project cost listing would not qualify for grant consideration. 80% of project budget has been met, but funds are coming from the City's operating expenses to cover cost.***

### GRANT TERMS

1. Grantee will keep its tax-exempt status as a recognized 501(c)(3) and Section 509(a)(2) or 509(a)(3) organization current throughout the period of this grant and will comply with all applicable federal and state laws and regulations that govern the use of funds from private foundations to the Grantee organization. This includes but is not limited to (a) the prohibition against use any of the funds to influence legislation, to influence the outcome of elections, to carry on voter registration drives, to make grants to individuals or other organizations, or to undertake any nonexempt activity, when such use of the funds would be a taxable expenditure if made directly by the foundation; and (b) limiting the use of the grant funds to the Grantee's authorized taxable purposes.
2. The grant shall be used exclusively for the purposes specified in this Grant Agreement, and any alternative use of funds must be authorized in advance in writing by the MFA Oil Foundation, or funds must be returned.
3. Grantee will notify MFA Oil Foundation concerning a change or proposed change in the Grantee's tax-exempt status. If the Grantee's tax-exempt status changes, the MFA Oil Foundation reserves the right to require that all remaining grant funds are immediately returned.

4. Any significant change in the project must be reported to the MFA Oil Foundation within three (3) months of the check presentation.

5. Grantee must keep records of receipts and expenditures and make its books and records available to MFA Oil Foundation at reasonable times if requested.

**ACCEPTANCE OF TERMS & CONDITIONS\***

This grant is conditional upon Grantee’s acceptance of the terms and conditions set forth herein. By selecting the “I Accept Grant Terms and Conditions” below, Grantee agrees to accept and comply with the stated terms and conditions of this grant.

If you would like to acknowledge the MFA Oil Foundation's gift by displaying our logo, please contact our marketing department at marketing@mfaoil.com

**AUTHORIZED SIGNATURE**

By typing in your Name, Title, and Date in the spaces below, you confirm that you are authorized to make legal contracts for the Grantee and that you agree to enter into this agreement by electronic means.

**Name\***
