11 May 23 Alex Miller VOTES 1	I live a half mile south of this proposed 9-hole development, and am writing to express my strong support and excitement!	
22 May 23 mheaviland VOTES 0	I live in the neighborhood and am extremely excited about the prospect of this course! Looking forward to learning a bit more at the meeting Wednesday and I'm definitely interested in learning more ways to get involved!	
31 May 23 jacobs VOTES 0	Great idea! Disc golf is easy to learn and accessible to people of all ages. It combines strategy, skill, and a love of the outdoors. Disc golf is an exciting and challenging sport that is easy to learn and accessible to people of all ages. Disc golf combines the skill of traditional golf with the fun and accessibility of frisbee, making it an excellent option for people looking to get active and enjoy the outdoors. However, the challenge presented by the course can sometimes impact that accessibility. As a member of the disc golf community, the proposed beginner-friendly 9-hole course at Fairview would be a great addition. For example, in a few clinics I've run or attended, participants have asked if there was an "easier" course. In addition, disc golf combines strategy, skill, and a love for the outdoors. I love playing disc golf in the great outdoors. It's a fun way to exercise while enjoying nature. Albert-Oakland has a family of deer and tons of other wildlife. Indian Hills has its fair share of squirrels, deer, turtles, birds, etc. Harmony Bends has all of these and more.
