Re: Missouri Department of Health and Senior Services Teen Outreach Program (TOP)
Contract Amendment 02

Executive Summary

An ordinance authorizing the City Manager to sign the Teen Outreach Program (TOP) Contract Amendment 02 with the Missouri Department of Health and Senior Services for the period of October 1, 2023 through September 30, 2024 with an amount not to exceed \$37,000.

Discussion

The TOP program contract allows the Department of Public Health and Human Services to provide risk reduction education to teens in the community through the Teen Outreach Program (TOP). TOP is an evidence-based, comprehensive youth development strategy and teen pregnancy prevention program that combines curriculum-guided discussions and community service learning opportunities for at-risk youth. TOP is offered as an after-school program as well as part of the in-school learning, dependent upon the participating school. TOP has three main components: community service learning, peer experiences, and an adult resource network. These components have proven to impact youth and produce positive outcomes including decreased course-failure rates, school dropout rates, and teen pregnancy rates. The amount not to exceed for Amendment 02 is \$37,000, a reduction of \$8,000 from the previous year (\$45,000). This reduction is reflective of shift in funding priorities with the Missouri Department of Health and Senior Services.
