Re: Authorize Fixed Base Operator Agreement with AMS of Missouri, LLC for Aircraft Fuel Sales Services

Impacted Ward: Airport

Executive Summary

Authorize the City Manager to execute a Fixed Base Operator Agreement between the City of Columbia and Airline Maintenance Service (AMS), granting non-exclusive right to provide aircraft fuel sales services at the Columbia Regional Airport.

Discussion

The City of Columbia and AMS desire to enter into this agreement to authorize fuel sale services at COU. The initial term of this agreement will begin on June 1, 2026 and conclude at midnight on May 31, 2029. Following this initial period, the agreement is designed to auto-renew for up to two(2) successive one-year terms, provided it is not terminated earlier for default or convenience by either party.

Fiscal Impact

Short-Term Impact: The proposed legislation will generate variable short-term revenue for Columbia Regional Airport through a \$0.0535 per gallon fuel flowage fee that is subject to an annual, capped increase based on City Council approval or the Consumer Price Index. Long-Term Impact: Long-term revenue will continue through the initial term and renewals, remaining dependent on fuel volume and rate adjustments

Strategic & Comprehensive Plan Impact

Strategic Plan Impacts:

Primary Impact: Resilient Economy, Secondary Impact: Reliable and Sustainable Infrastructure, Tertiary Impact: Not Applicable

Comprehensive Plan Impacts:
