## TAILORING YOUR GIVING

Many donors find it is easier and more beneficial to establish a fund with the Community Foundation of Central Missouri (CFCM) than to donate to charity from a checkbook - or if they were inclined to start a family or business foundation. CFCM provides a mix of accounting and investment services, helps connect you to local non-profits and community needs, and frees you to focus on making the biggest impact with your assets. Different people and families think about giving differently, so CFCM has several ways for making a gift or establishing a Fund. Your giving can be tailored to your charitable goals and interests.

## CHARITABLE GIVING FUND (DONOR-ADVISED FUND)

Establishing a Charitable Giving Fund (donor-advised fund) allows the donor active participation in the grant-making process by periodically recommending the use of their gift. The Community Foundation of Central Missouri (CFCM) verifies that recommendations are to a qualified public charity, and processes all the paperwork related to the gift. Grant awards are issued in the name of the fund (or anonymously), and contributions to the fund qualify for income tax deduction in the year they are made.

### Benefits to Donors

- Flexible
- Multi-generational giving
- Active relationship building with non-profits

### Benefits to Recipients

- Provides direct support to non-profits
- Active involvement with donors

## DESIGNATED FUND

With a Designated Fund, a donor instructs the Community Foundation of Central Missouri (CFCM) to pay available grant dollars to one or more specifically named charitable organizations, usually in perpetuity. Donations are sent in the name of the designated fund at specified intervals. CFCM monitors the use of donations to be sure the donor's intent is followed.

### Benefits to Donors

- Allows for guidance during and after lifetime
- Donor identifies with chosen non-profits
- Original gift goes farther

### Benefits to Recipients

- Financial security with ongoing support
- Direct connection to donors forever
- Non-competitive funds

## SCHOLARSHIP FUND

With a Scholarship Fund, donors invest in the community's future and help deserving students, from preschool to post graduate, achieve their dreams. These funds provide support for educational opportunities and training. Donors can specify the eligibility criteria for the recipients.

### Benefits to Donors

- Allows donors to recognize outstanding students
- Establishes a memorial to loved ones
- Sets an example for younger generations

### Benefits to Recipients

- Provides needed funds for educational pursuits
- Recognizes students and institutions
- Exposes the recipient to philanthropy

## FIELD OF INTEREST FUND

The donor instructs the Community Foundation of Central Missouri (CFCM) to use the available grant dollars in a specific program area, such as education, health, the arts, environment, geographical area, etc., rather than restricting money to one organization. CFCM or a fund advisory committee determines the recipients. Field of Interest funds are flexible so that the changing needs of community interest areas are met.

### Benefits to Donors

- Matches donor granting with donor interests
- Provides flexibility to offer grants for future organizations and programs

### Benefits to Recipients

- Funds a variety of organizations in a particular field
- Facilitates collaboration among organizations and the community

# ABOUT US

COMMUNITY FOUNDATION OF CENTRAL MISSOURI

Like the more than 850 community foundations across the country, the Community Foundation of Central Missouri (CFCM) is an independent, nonprofit organization created for community betterment. Our theme is “Working Together. Improving Lives” And we try to do that every day.

**Our mission is to inspire and nurture philanthropy for the public good, and we see ourselves as leaders in this work. While we have many partners, our primary partners are our donors, board members, other nonprofit organizations, financial professionals, and municipalities. They all work together in the philanthropic enterprise. Our primary work is the creation and administration of funds for donors so that their charitable intent can be followed over time. And we work with each donor to maximize the tax savings that may accompany their gifts.**

As CFCM fulfills its mission, one of our primary tasks is to facilitate philanthropy. We want to make charitable giving easy, fun, meaningful, faithful, and accessible. We help donors provide revenue to causes they care about deeply. We provide excellent customer service, treating donors, donations, and grants as the true gifts they are.

The Community Foundation of Central Missouri is a full-range, one-stop, charitable giving shop offering a mix of investment and fund management services, grant guidance and support, and knowledge of the nonprofit sector.

CFCM works with a wide array of donors: individuals and families, businesses, nonprofit organizations, groups of committed citizens, and more. We also welcome agency endowments, family foundations, and charitable trusts.

The Community Foundation of Central Missouri is guided by a diverse, local board composed of business, community, and nonprofit leaders, each with deep respect for charitable giving and nonprofit services.
