Re: Boone County Public Health Services Agreement

Executive Summary

An ordinance authorizing the City Manager to enter into an agreement with Boone County for Public Health Services in the amount of \$1,673,943 for calendar year 2023.

Discussion

This ordinance renews the ongoing agreement with Boone County for the provision of public health services to Boone County residents living outside of the Columbia City limits. The City and County have had a similar agreement in place since 1974. This agreement benefits both parties by minimizing administrative costs and reducing duplication of services.

The annual funding level for Boone County is determined from a combination of population estimates and service usage for county residents. The contract amount for calendar year 2023 is \$1,673,943.
