Dear Mr. Sorrell:

We are writing in reference to the Power Purchase Agreement between the City of Columbia, Missouri and Boone Stephens Solar I, LLC dated November 21, 2019, as amended (the "Agreement") relating to the Boone Stephens Solar Project. Capitalized terms herein shall have the same meaning as set forth in the Agreement.

This letter is to notify the City of Columbia, Missouri that the interconnection Condition Precedent will not be satisfied by June 30, 2022, as the costs reported by MISO in the DPP study results are expected to increase the interconnection costs for the Facility above the Condition Precedent threshold. Due to the failure of all Conditions Precedent to be met by the Condition Precedent Deadline, please consider this letter as notice of termination of the Agreement pursuant to Section 2.2 of the Agreement.

In accordance with Section 2.2, City of Columbia, Missouri shall promptly return the Performance Security in the amount of $1,280,000, together with accumulated interest therein, to Boone Stephens Solar I, LLC, c/o Enel Green Power North America, Inc., Attn: Treasury – Nick Mini (Nick.Mini@enel.com), 100 Brickstone Square, Suite 300, Andover, MA 01810.

Our intention is to proceed with plans to bring a new solar generating facility to the City of Columbia, Missouri and will be in touch with your team to discuss new ways to partner together on the Boone Stephens Solar Project.

Sincerely,

Boone Stephens Solar I, LLC
