An ordinance authorizing the City Manager to sign the Disease Intervention Specialist Workforce Program Contract Amendment #02 between the City of Columbia and the Missouri Department of Health and Human Services for the period of January 1, 2024 through December 31, 2024.

## Discussion

The Missouri Department of Health and Senior Services contracts with Local Public Health Agencies for the provision of communicable disease intervention. The purpose of the sexually transmitted disease (STD) prevention and control strategies activities are to prevent and control chlamydia, gonorrhea, syphilis and other communicable diseases according to the Centers for Disease Control and Prevention (CDC) STD Prevention and Control grant.

Boone County has the fourth highest STD rate in Missouri. This contract supports Public Health and Human Services' capacity to respond to cases and identify close contacts for testing and/or treatment.
