Received this comment about my case, what all do I do with it? I know I need to print 9 copies for the commission because we received this after the agenda got published.

In regard to Case #21-2025: I live at [3004 Greenridge Road](#) in Columbia, Mo, next to the duplex.  
I am 100% opposed to the plans as outlined in the above case. The reasons are:

- . I am 73 years old and have lived at currant address for over 25 years.
- . This is my forever home with no intentions of moving.
- . The noise from construction would interfere with my normal way of life, as I am retired  
and home the majority of the time.
- . Construction and traffic would block my most convenient way of exiting my home.
- . There is already a neighbor on the north side of me who makes enough noise with all his  
vehicles and heavy equipment.
- . I won't be able to attend the upcoming meeting, as I do not drive after dark.

Please, please take my opposition of this matter seriously. Thank you.
