

State of Missouri
Children's Trust Fund
Contractual Service Agreement Renewal
Child Abuse Prevention Projects
FY 2026

The contractual service agreement renewal is between the Children's Trust Fund, hereinafter referred to as CTF, and the City of Columbia on behalf of the Boone County Department of Public Health and Human Services, P.O. Box 6015/1005 W. Worley St., Columbia, MO 65203, hereinafter referred to as the Provider.

WHEREAS, CTF is authorized under section 210.172(3)(a) RSMo., to enter into contracts with public or private agencies, schools, or qualified individuals to establish community-based educational and service programs designed to prevent or alleviate child abuse or neglect;

WHEREAS, CTF originally awarded a contract to the provider in State Fiscal Year (FY) 2023, for child abuse prevention programming as described in the original application for funding;

WHEREAS, the Provider has the expertise and ability to perform the services outlined in the approved FY 2026 grant renewal application (Attachment 1); and

NOW, THEREFORE, and in consideration of the mutual promises, terms and conditions stated herein, the Parties do now AGREE as follows:

- **Contract Renewal Period:** Contract number CTF-CI-2302 is renewed for a period of twelve (12) months beginning on July 1, 2025, and ending June 30, 2026, at which time the contract will terminate.
- **Maximum Cost:** The maximum cost of this contract agreement renewal shall not exceed \$128,850.00.
- **Final Invoice:** The final invoice will be submitted to CTF no later than June 15, 2026, and may include predictable project expenses through June 30, 2026.
- **Data collection:** Project data collection will include all forms required by CTF data collection (Attachment 2) in addition to any forms used to capture project-specific data elements.
- **CQI:** Provider understands that they are responsible for 1) training their data collection partners on project data collection and use of REDCap for reporting; 2) performing regular (e.g., quarterly) quality assurance reviews of data reported in the site's REDCap project; and 3) facilitating continuous improvement of data quality and any project-specific metrics.
- **Reporting:** Provider will report CTF Collective Impact Program performance measures to CTF via a quarterly REDCap survey, aggregated MIECHV benchmarks achieved by their data partners to CTF via an annual REDCap survey, and other aggregated data as mutually agreed upon by Provider and CTF.
- **CRIS:** Provider understands they are responsible for 1) training all referral partners on how their Coordinated Referral and Intake System (CRIS) operates; 2) monitoring all referrals sent through their CRIS to ensure timely response; and 3) performing regular (e.g., quarterly) quality assurance reviews of CRIS functioning (e.g., referral response time, distribution, non-acceptance rates, etc.).
- The contract will now include all the obligations under the request for proposals, the original agreement, and all amendments made to the original agreement during the contract period including this renewal.
