Good afternoon

I am the homeowner of 109 Lynn st in columbia mo. I would like the board to consider expanding my Driveway closer to the house roughly 14ft wide and 43ft long. I'm asking this because I would like to park next to my house and not on the street. My vehicle has been hit twice sitting on the road and I would like to avoid my vehicles from being hit. I would like to ask if the board would split this cost with me or would take care of the bill.

Please let me know if this is possible or if you need any other information from me

thank you
