Re: Authorize a fifth supplemental agreement to an airport aid agreement with the Missouri Highways and Transportation Commission (MHTC) relating to air service promotion for the Columbia Regional Airport

Executive Summary

Staff is requesting that Council authorize the City Manager to execute a fifth supplemental agreement to an airport aid agreement with MHTC relating to air service promotion for Columbia Regional Airport.

Discussion

On August 19, 2019, Council Bill 222-19 was passed authorizing the City Manager to execute an airport aid agreement with MHTC in the amount of \$250,000 relating to air service promotion for Columbia Regional Airport.

On July 6, 2020, Council Bill 128-20 was passed authorizing a first supplemental agreement to the airport aid agreement with MHTC to allow for \$150,000 of the original \$250,000 grant to be used in support of marketing new air service. The first supplemental agreement also extended the project period to August 1, 2021. At staff's request, Council authorized a second, third and fourth supplemental agreement extending the grant agreement one additional year each time.

Staff is now requesting that Council authorize the City Manager to execute a fifth supplemental agreement with MHTC to extend the project period from August 1, 2024 to August 1, 2025, to allow staff time to continue to work toward securing new service. A request for Council to approve the amendment along with an explanation and request that all actions taken by city staff prior to execution of the amendment be ratified.
