RE: [CUSTOMER ACCOUNT NUMBER]

**AUTHORIZATION FOR RETAIL CUSTOMER PARTICIPATION**

The City of Columbia distributed four million MWh or less in the prior fiscal year. As such, the Tariff of the Midcontinent Independent System Operator (MISO) and applicable laws and regulations require that any aggregator of retail electric utility customers to be used as an emergency demand response resource certify that the laws, regulations, or orders of the City specifically permit the end use customer to be used as an emergency demand response resource.

By signing this Authorization for Retail Customer Participation, the City of Columbia hereby grants permission to the above referenced customer to be participate as an emergency demand response resource to the MISO market.
