

Inclusive & Equitable Community					
Goal Statement: Cultivate a community focusing on equitable access, inclusive engagement, equal opportunity and treatment for all.					
Outcome Object	Item	Description	Fiscal Year	Budgeted Amount	Status
Goal 2: Improve community engagement to include all identities, languages and needs	Language Interpretation Enhancements	This would improve community engagement by decreasing language barriers for effective communication.	FY 24	\$10,000	Completed
		The \$10k would be spread across several departments, including PHHS, Community Development, Utilities, Municipal Court, HR, Office of Sustainability, Communications and Creative Services, Law, CMO, CVB, REDI			
Updates:	Funding was allocated to the appropriate departments. Purchasing provided a list of approved vendors from the state contract.				
Goal 2: Improve community engagement to include all identities, languages and needs	Mentorship Program	The goal for this mentorship program is to assist the City in filling hard to fill positions. The budget request includes authority for a temp Mentorship Coordinator, 24 mentees, program supplies, and other misc. items.	FY 24	\$114,143	In progress
Updates:	This program is in the planning stage. Staff anticipates the program will be offered for Summer 2025.				
Goal 1: Increase equity comprehension and impact in City decision making	REAL Toolkit	The Equity Lens Toolkit is in the evaluation stage with case studies being collected. A comprehensive guide on use of the toolkit will be created next. The target timeline is to have the toolkit ready to go live by the Fall.	FY 23	\$75,000	In progress
Updates:	DEI Coordinator is currently developing the equity toolkit and working with the equity group to study several test cases.				

Reliable & Sustainable Infrastructure					
Goal Statement: Provide reliable, sustainable, and innovative infrastructure for the efficient delivery of municipal services to meet the current and future needs of our community.					
Outcome Object	Item	Description	Fiscal Year	Budgeted Amount	Status
Goal 1: Maintain and expand Columbia's Infrastructure	Overhaul and modify Columbia Energy Center unit #4.	Overhaul and modify unit #4 so that it is available and can run during the cold weather. Currently, this unit can not be run in cold temperatures, like the other three units. In June 2023, MISO implemented a seasonal capacity construct and this unit will be needed for our winter capacity.	FY 23	\$1,500,000	In progress
Updates:	Unit will not be overhauled/modified until winter 2024.				
Goal 1: Maintain and expand Columbia's Infrastructure	Lift Station Monitoring System	Upgrade monitoring systems for 25 pump stations to improve efficiency of operations and maintenance. This will assist with staffing shortages by providing real time information on each pump station. Currently staff drives to each station every day and is only contacted by phone with emergencies and not other operational concerns. This system will also assist in preventing sewage overflows by providing better real time information.	FY 23	\$115,000	Complete
Updates:	Currently being installed.				

Organizational Excellence					
Goal Statement: Create and support an engaged workforce and organization that delivers an efficient, innovative, transparent, and collaborative City government.					
Outcome Object	Item	Description	Fiscal Year	Budgeted Amount	Status
Goal 4: Improve the customer experience across city services	SeeClickFix	This software will be used to process and organize citizen requests.	FY 23	\$75,000	In progress
Updates:	SeeClickFix was launched for internal use on January 23, 2024 with a public launch planned for a future date.				
Goal 2: Increase employee engagement levels	Employee Engagement Survey	The Employee Engagement Survey is a vital piece to understanding employee engagement levels and planning for increasing those levels. Last administered in 2020, the survey is also the source of the most important performance measures for the Organizational Excellence priority area.	FY 23	\$70,900	In progress
Updates:	The Employee Engagement Survey RFP was distributed as part of a group RFP with the Citizen Survey and the Utilities Customer Service Survey. Proposals have been reviewed by a panel and Purchasing staff is getting answers to a few questions that are needed before scoring can take place.				
Goal 4: Improve the customer experience across city services	ChatBot	This chat feature will help visitors better navigate the City's website and access the information and services they're searching for.	FY 23	\$40,000	In progress
Updates:	The ChatBot is currently active on the City's website. Visitors to the site are asked to ask it questions so that it can become a better tool.				
Goal 5: Build a leading government organization that manages all resources wisely through accountability, innovation, and efficiency	Disabilities Commission - Marketing	These funds would be used to create and print brochures, flyers and signs for the Commission, to purchase a booth at public festivals, print promotional materials and provide outreach and public input sessions in the community. The Commission has never had a budget for marketing and feels the community would benefit by raising awareness of accessibility issues and available government services to address these issues.	FY 23	\$4,000	Complete
Updates:	This ongoing amount was included with the FY 2023 budget. To date, the Disabilities Commission has used these funds for various activities and initiatives, including recognition for the Senator Chuck Graham Memorial Disability & Advocacy Award, which was presented to Lydia Olmsted in FY 2023, as well as booths at public festivals, including the upcoming Earth Day festival.				

Resilient Economy					
Goal Statement: Foster a resilient and diverse economy that meets the needs of our community.					
Outcome Object	Item	Description	Fiscal Year	Budgeted Amount	Status
Goal 1: Foster a more diverse business community	Visitors Guide	<p>This is our largest and most requested marketing piece. It is distributed to all inquiries about Columbia and to all I-70 Visitor Centers.</p> <p>We have gone from a yearly to every other year in our production and that seems to be working. This cost includes production, printing and distribution of visitor guide.</p>	FY 23	\$30,000	In Progress
Updates:	We have updated/printed and continue to distribute Visitors Guides printed in FY 23. We are now in the process of sending out an RFP to secure a company for an updated version in FY 25.				
Goal 2: Expand the supply of affordable housing for low to moderate income members of the community	Establish the Housing & Neighborhood Services as a separate City department	<p>Prior to FY 24, Housing Programs, Neighborhood Services, and Volunteer Programs all fell under the Community Development Department. Beginning in FY 24, these divisions will make up a new Housing & Neighborhood Services Department. This department was created in response to the need for additional affordable housing and support for residential housing. In addition to moving the existing divisions under the new department, a new Housing & Neighborhood Services Director position was added. Hiring this new position is the first step in establishing the new department.</p>	FY 24	\$135,949	Complete
Updates:	The Director for this department has been hired. Additional staffing needs are being evaluated.				
Goal 3: Reduce the burden of transportation to finding and maintaining employment and employees	Metropolitan Transportation Plan	<p>The Metropolitan Transportation Plan is a regional transportation plan required of all Metropolitan Planning Organizations (MPOs) that receive federal transportation funds. The Columbia Area Transportation Study Organization (CATSO) is the MPO for the Columbia area. Its partners are the city, Boone County, and MoDOT.</p>	FY 23	\$200,000	In Progress
Updates:	In calendar year 2024, the Columbia Area Transportation Study Organization (CATSO) will update the Plan. A consultant has been selected and the contract has been fully executed.
