

CONVENTION AND VISITOR'S BUREAU TOURISM
DEVELOPMENT SPONSORSHIP AGREEMENT

THIS AGREEMENT between the City of Columbia, Missouri, a municipal corporation (hereinafter "City") and The Curators of the University of Missouri, a body politic of the State of Missouri organized in the State of State of Missouri (hereinafter "Grant Recipient") is entered into on the date of the last signatory noted below (the "Effective Date"). City and Grant Recipient are each individually referred to herein as a "Party" and collectively as the "Parties."

WHEREAS, Grant Recipient has submitted its application for event funding to the Columbia Convention and Visitors Bureau ("CVB"); and

WHEREAS, the event proposed by Grant Recipient (the "Event") together with the Tourism Fund funding request is more fully set forth in Exhibit A attached hereto and incorporated herein by reference; and

WHEREAS, the use of tourism funds proposed by Grant Recipient will further the planning and promotion of a tourist event which will have a substantial potential to generate overnight visitations.

NOW, THEREFORE, the Parties hereto, for good and sufficient consideration, the receipt of which is hereby acknowledged, intending to be legally bound, do hereby agree as follows:

1. City agrees to provide tourism funding to Grant Recipient in the amount of Twenty Thousand Dollars (\$ 20,000.00) in exchange for Grant Recipient conducting the Event and providing the services set forth in Exhibit A. Grant Recipient agrees that it is responsible for all funds made available to Grant Recipient by this Agreement and further agrees that it will reimburse to City any funds expended in violation of city, state, or federal law or in violation of this Agreement. Should the Event be cancelled, Grant Recipient shall, within thirty (30) days, refund to the City all money paid by the City.

2. Grant Recipient agrees that it will make no material changes in the approved Event unless such changes are approved in writing by City prior to the Event.

3. Grant Recipient agrees that it is subject to audit and review on request by City. If Grant Recipient has a financial audit prepared, that report shall be furnished to the CVB.

4. Grant Recipient agrees that all funds received from City will be expended as approved by City Council and none of the funds shall be diverted to any other use or purpose, except as recommended by the CVB's Advisory Board and as approved by the City Council. Full records of all expenditures and disbursements and any income from the provision of the Event described in Grant Recipient's proposal shall be kept and open

to City inspection during regular business hours.

5. Grant Recipient agrees to provide the Convention and Visitors Bureau with copies of all financial documentation no later than ninety (90) days following the last day of the funded event, as outlined in the Post-Event Documentation Procedures established by the CVB. Documentation must include copies of checks issued for payment of services or items, copies of corresponding invoices and copies of any required contracts. If Grant Recipient does not provide financial documentation, Grant Recipient may not be eligible for future funding. This paragraph does not limit other remedies available to the City in the event Grant Recipient breaches this Agreement.

6. Grant Recipient agrees that the CVB and City will be recognized as outlined in Grant Recipient's proposal.

7. Termination Provisions.

- a. By Mutual Agreement. This Agreement may be terminated at any time during its Term upon mutual agreement by both Parties.
- b. By Convenience. With ten (10) days written notice, either Party may terminate this Agreement for convenience. If terminated by Grant Recipient, Grant Recipient shall return all grant proceeds.

This provision does not, however, require Grant Recipient to indemnify, hold harmless, or defend the City of Columbia from its own negligence. This clause shall survive termination of this Agreement.

9. Miscellaneous Clauses

FY2021 Tourism Development Application
Signature Series Events

EVENT NAME: Show-Me State Games

EVENT ORGANIZER: Show-Me State Games

EVENT DATES: June 9-12, July 22-24, July 29-31, 2022

Please provide detailed answers to the following questions:

1. Describe in detail how Tourism Development funds be used.

The Show-Me STATE GAMES is a non-profit organization with the mission of providing all Missourians the opportunity to participate in activities of health, fitness, family and fun. The SMSG is an Olympic-style amateur sports festival with more than 40 sporting events for people of all ages and ability levels. It has grown to become the largest state games in the nation. The games will be hosting their 38th games in Columbia this summer.

The Tourism Development Signatures Series funds would be used to help offset expenses associated with the 2022 Show-Me STATE GAMES and Missouri State Senior Games, which include site fees, medals/awards, advertising and officials.

2. How many overnight stays did your event generate last year and how did you track and determine this?

In 2021 we generated 4,766 overnight stays during our summer Games. We have all team sports fill out hotel information cards at registration to determine the number of overnight stays we generate. We do not collect information on hotel stays at registration for all individual sports, many of which span over several days (track and field, bowling, tennis, swimming, etc), meaning our overnight stays are likely higher than our reported number.

In addition to these summer stays, our additional year-round fundraisers including 3v3 soccer in June and November, two youth basketball events, as well as a volleyball tournament, generated 714 overnight stays, making our year-round total 5480.

3. What was the attendance of your event last year and what method did you use to determine this?

During the summer, the Show-Me STATE GAMES had 14,318 athletes and estimated one spectator per athlete, so overall attendance was approximately 28,636. Total year-round, we had 18,049 athletes and estimated one spectator per athlete, meaning we had approximately 36,098 people involved in our 2021 events.

For each team sport, the method we use to determine attendance is by multiplying the average number of players per team by the number of teams. For individual sports, we count based on the number of people who register online combined with onsite. For spectator numbers, we estimate 1 person per participant attend as spectators.

Due to the pandemic, the last couple of years have been very difficult as we navigated through many obstacles in hosting the games. Our team feels very fortunate to have fulfilled our mission of providing all Missourians an opportunity to participate in ana activity of health, fitness, family and fun in a safe environment.

4. How many years has your event been held?

This summer, the Games will be celebrating its 38th year. All games have been held in Columbia.

5. What is the economic impact of your event?

Our 2021 Fact sheet is attached

6. Marketing Plan: Please use the attached marketing grid to complete this question.

The Show-Me STATE GAMES uses direct mail to reach many of our previous participants, including flyers and reminder postcards. We also utilize various in-kind promotional tools to reach out to new participants, including posters, newspaper advertising, radio and television spots. Finally, we utilize free and low-cost social marketing tools such as an e-newsletter, Facebook and listings on community calendars and sport sites, as well as our own website. We also engage in year-round media relations. We send press releases year-round through the Missouri Press Association as well as an internal media list about upcoming events, awards, results and more. We also appear on television and radio programming to promote the GAMES. In 2021, we had coverage from more than 50 outlets throughout the state, enhanced greatly this year through our ten-city Torch Run which made stops and generated exposure in Kirksville, Springfield, Kansas City, St. Joseph, Cape Girardeau, St. Charles, Hannibal, St. Louis, Columbia and Jefferson City.

7. Sponsorship Plan: Describe your plan to attract event sponsors and attach information on Sponsorship levels.

Our list of current sponsors and current sponsor levels is attached.

8. Event Budget: Please use the two budget pages below (pages 5 & 6) to provide details of your Income and Expenses. (You may add lines or change the cell titles to better match your event.)
